

WARNING: To avoid serious personal injury:

- Carefully and strictly follow assembly instructions. Improper assembly of furniture can result in structural failure, instability of the product, or tip-over.
- Monitor and carefully control the assembly components. These include small parts and hardware that may present a choking hazard to small children. Bob's furniture should be assembled only by responsible adults and children should not be involved in the assembly process.
- Where provided, wall mounting hardware should always be used as prescribed in these instructions to anchor furniture to walls. Proper use of the wall mounting hardware can significantly reduce the potential for furniture tip-over and crushing injuries.

PRE-ASSEMBLY:

Carefully remove all parts and hardware from carton, along with any protective packaging.

Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

PRÉASSEMBLAGE :

Retirez soigneusement de la boîte toutes les pièces, toute la quincaillerie, et tout emballage de protecteur.

Ne mettez aucun élément de contenu au rebut avant de terminer l'assemblage au complet, afin d'éviter de jeter accidentellement de petites pièces ou un élément de quincaillerie.

ANTES DEL ENSAMBLADO:

Retire con cuidado todas las piezas y herramientas de la caja, junto con todo el envoltorio protector.

No deseche nada hasta después de haber terminado de ensamblar para evitar botar por accidente piezas pequeñas o herramientas.
