WARNING: To avoid serious personal injury:

- Carefully and strictly follow assembly instructions. Improper assembly of furniture can result in structural failure, instability of the product, or tip-over.
- Monitor and carefully control the assembly components. These include small
 parts and hardware that may present a choking hazard to small children.
 Bob's furniture should be assembled only by responsible adults and children
 should not be involved in the assembly process.
- Where provided, wall mounting hardware should always be used as
