#### WARNING: To avoid serious personal injury:

- Carefully and strictly follow assembly instructions. Improper assembly of furniture can result in structural failure, instability of the product, or tip-over.
- Monitor and carefully control the assembly components. These include small
  parts and hardware that may present a choking hazard to small children.
  Bob's furniture should be assembled only by responsible adults and children
  should not be involved in the assembly process.
- Where provided, wall mounting hardware should always be used as
  prescribed in these instructions to anchor furniture to wall. Proper use of the
  wall mounting hardware can significantly reduce the potential for furniture
  tip-over and crushing injuries.
